

Illinois Courthouses

An Illustrated History

The Illinois Association of County Board Members is excited to bring you a very special, hard-bound pictorial book, "Illinois Courthouses." Beginning with Adams County and ending with Woodford County, this heirloom-quality book presents hundreds of nostalgic images of the noble buildings that serve as the dwelling places for Illinois' 102 county governments.

The richly illustrated pages bring these buildings to life and provide the reader with an insider's view into many of the not-so-public areas within the walls of these historic structures. "Illinois Courthouses" is an excellent addition to every Illinoisans reference collection, bookshelf, or community library.
