(4) Allocation of the Proceeds from Sale of Disposal of Surplus Goods. The Purchasing Agent shall allocate net proceeds from the sale, lease, or disposal of surplus goods back to the appropriate fund.

(5) Purchasing Determinations. The Purchasing Agent shall work cooperatively with departments in making determinations relative to the purchase of goods, services, construction and professional services.

ARTICLE 3 – PURCHASE ORDERS

3-101 GENERAL

Purchase Orders shall be the basis to authorize all procurement of goods, services, construction and professional services. Purchases authorized by County Board Resolution satisfy the requirements as set forth under this Ordinance for the Purchasing Division to issue a Purchase Order.

3-102 PROCEDURES

(1) Department Purchase Order. The department shall approve and issue a Lake County Department Purchase Order for purchases less than \$5,000 and for department releases against Lake County blanket Purchase Orders. Purchases shall be made in accordance with Lake County or other government contracts whenever possible.

(2) Lake County Purchase Orders. Except as stated in 3-102 (1), the department shall forward a requisition to The Purchasing Division requesting goods, services, construction or professional services. The Purchasing Division shall issue purchase orders for these transactions. For purchases greater than \$20,000 and professional services greater than \$50,000, the department shall also forward a Request to Solicit Bids or proposals and suggested specifications to initiate the purchase of goods, services or construction, except as provided for in 6-102 and 6-103.

Examples of non-negotiable purchases that do not require a purchase order and, therefore, may be processed by voucher directly to Accounts Payable, include, but are not limited to:

Non-negotiable purchases shall be determined by the Purchasing Agent and approved by the Financial and Administrative Committee of the County Board.

ARTICLE 4 – COMPETITIVE BIDDING

4-101 GENERAL

An openly publicized competitive process for the procurement of goods, services, construction and professional services is the most effective means of determining the lowest cost from a responsible source and shall be utilized whenever possible. Purchases of goods, services and construction in excess of \$20,000 or where multiple purchases within a year are likely to exceed \$20,000 shall be subject to competitive sealed bidding. However, for data processing and telecommunications goods and services these provisions shall apply for purchases in excess of \$25,000 or where multiple purchases within a year are likely to exceed \$25,000. For Professional Services Contracts refer to Article 5.

4-102 PROCEDURES

(1) Invitation for Bids. An invitation for bids shall be issued and shall include specifications, and all contractual terms and conditions applicable to the procurement.

(2) Public Notice. Adequate public notice of the invitation for bids shall be given a reasonable time, not less than five (5) calendar days prior to the date set forth therein for the opening of bids. Such notice shall include publication in a newspaper of general circulation within the County or internet posting on the County website, a reasonable time prior to bid opening. The public notice shall state the place, date, and time of bid opening.

(3) Standard Clauses and Their Modification. The Purchasing Agent, after consultation with the State's Attorney, may establish standard contract clauses for use in County contracts.

(4) Requirement for Bid Security. Bid Security in the amount of 10% shall be required for all competitive sealed bidding for construction contracts when the price is estimated to exceed \$25,000. Bid security shall be a bond provided by a surety company authorized to do business in the State of Illinois, or the equivalent in cash, or otherwise supplied in a form satisfactory to the County. Nothing herein shall prevent the requirement of such bonds or other security in addition to or in lieu of those bonds, on construction contracts under \$25,000 or other contracts when the circumstances warrant.

(5) Bid and Performance Bonds on Goods or Service Contracts. Bid and performance bonds or other security may be requested for supply or service contracts as the Purchasing Agent deems advisable to protect the County's interests. Any such bonding requirements shall be set forth in the solicitation. Bid or performance bonds shall not be used as a substitute for a determination of a bidder or offeror's responsibility. When a construction contract is awarded in excess of \$25,000, the following bonds or security shall be delivered to the County and shall become binding on the parties upon the execution of the contract:

- (a) a performance bond satisfactory to the County, executed by a surety company authorized to do business in the State, or otherwise security in a manner satisfactory to the County, in an amount equal to one-hundred percent (100%) of the price specified in the contract; and
- (b) a payment bond satisfactory to the County, executed by a surety company authorized to do business in the State or otherwise secured in a manner satisfactory to the County, for the protection of all persons supplying labor or material to the contractor or its subcontractors for the performance of the work
- (c) provided for in the contract. The bond shall be in an amount equal to one hundred percent (100%) of the price specified in the contract.

(6) Insurance Requirements on Goods or Service Contracts. The Purchasing Agent shall determine, in consultation with the Risk Manager, whether insurance coverage by the contractor shall be required, and, if so, the types and amounts of coverage that shall be required. The contractor shall have the County named as an additional insured as its interest may appear and furnish the Purchasing Agent with satisfactory evidence of said insurance.

(7) Cancellation or Rejection of Invitations for Bids or Requests. An invitation for bids, a request for proposals, or other solicitation may be canceled, or any or all bids or proposals may be rejected in whole or in part as may be specified in the solicitation, when it is for good cause and in the best interests of the County. Each solicitation issued by the County shall state that the solicitation may be canceled by the Purchasing Agent and that any bid or proposal may be rejected in whole or in part for good cause when in the best interests of the County. The reasons therefor shall be made part of the contract file and shall be provided upon request by unsuccessful bidders or offerors.

(8) Bid Opening. Bids shall be opened publicly in the presence of one or more witnesses at the time and place designated in the invitation for bids. The amount of each bid, and such other relevant information as the Purchasing Agent deems appropriate, together with the name of each bidder shall be recorded; the record and each bid shall be open to public inspection.

(9) Correction or Withdrawal of Bids; Cancellation of Awards. Correction or withdrawal of inadvertently erroneous bids before or after bid opening, or cancellation of awards or contracts based on such bid mistakes, may be permitted where appropriate. Mistakes discovered before bid opening may be modified or withdrawn by written, electronic or telegraphic notice received in the office designated in the invitation for bids prior to the time set for bid opening. After bid opening, corrections in bids shall be permitted only to the extent that the bidder can show by clear and convincing evidence that a mistake of a nonjudgmental character was made, the nature of the mistake, and the bid price actually intended. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the County or fair competition shall be permitted. In lieu of bid correction, a low bidder alleging a material mistake of fact may be permitted to withdraw its bid if:

- (a) the mistake is clearly evident on the face of the bid document but the intended correct bid is not similarly evident; or
- (b) the bidder submits evidence which clearly and convincingly demonstrates that a mistake was made.

All decisions to permit the correction or withdrawal of bids, or to cancel awards or contracts based on bid mistakes, shall be supported by a written determination made by the Purchasing Agent.

In the event of a discrepancy between the unit price and the extended total, the unit price bid shall prevail.

- (10) Bid Evaluation. Bids shall be evaluated based on the requirements set forth in the invitation for bids, which may include criteria to determine acceptability such as inspection, testing, quality, workmanship, experience, past performance, financial stability, delivery, and suitability for a particular purpose. The invitation for bids shall set forth the evaluation criteria to be used. No criteria may be used in bid evaluation that are not set forth in the invitation for bids. Alternative bids may be considered and accepted provided they are specifically provided for in the invitation for bids and meet the evaluation criteria set forth therein.

(11) Determination of Nonresponsibility of Bidder and Offerors. Failure to perform, or unsatisfactory performance, on one or more County contracts within a 2 year period shall be cause for the Purchasing Agent to determine non-responsibility. The unreasonable failure of a bidder or offeror to promptly supply information or samples in connection with an inquiry with respect to responsibility, or unacceptable performance on prior contracts, may be grounds for a determination of nonresponsibility with respect to such bidder or offeror. If a bidder or offeror who otherwise would have been awarded a contract is found nonresponsible, a written determination of nonresponsibility, setting forth the basis of the finding, shall be prepared by the Purchasing Agent. A copy of the determination shall be sent promptly to the non responsible bidder or offeror. The final determination shall be made part of the contract file.

(12) Award. The contract shall be awarded by appropriate written notice to the lowest responsive and responsible bidder whose bid best meets the requirements and criteria set forth in the invitation for bids, if the bid is within the amount of funds appropriated. The Purchasing Agent is authorized to negotiate an adjustment in the bid price with the low responsive and responsible bidder, without changing the specifications of the bid.

- (a) The Purchasing Agent shall request the State's Attorney to review prior to award all contracts in excess of \$100,000. This review shall not be required when the form and content of the contract documents has previously been approved by the State's Attorney.
- (b) Except as provided in subsection (c), the Standing Committee in charge of the using agency and the Financial and Administrative Committee shall jointly submit their recommendation on the award of a contract of \$25,000 or more, by Resolution, to the County Board for its consideration at its next meeting. After award by the County Board, contracts shall be signed by the Purchasing Agent.
- (c) Notwithstanding the provisions of subsection (b), the Purchasing Agent is authorized to award and to sign contracts, other than sole source or emergency contracts, for the purchase of goods or capital equipment within the amount specifically authorized in the budget, without submitting these contracts for committee and board approval.
- (d) Notwithstanding the provisions of subsection (b), department heads are authorized to award and sign professional services contracts, pursuant to Article 5, of less than \$50,000 (fifty thousand dollars).

(13) Right to Inspect Plant. The County may, at reasonable times, inspect the part of the plant, place of business, or worksite of a contractor or subcontractor at any tier which is pertinent to the performance of any contract awarded or to be awarded by the County.

(14) Right to Audit Records.

- (a) Audit of Contract Costs. The County may at reasonable times and places, audit the books and records of any contractor to the extent that such books, documents, papers, and records are pertinent to a County contract. Any person, who receives a contract, shall maintain such books, documents, papers, and records that are pertinent to the contract costs for three years from the date of final payment under the contract.
- (b) Contract Audit. The County shall be entitled to audit the books and records of a contractor or a subcontractor at any tier under any negotiated contract or subcontract other than a firm fixed price contract to the extent that such books, documents, papers, and records are pertinent to the performance of such contract or subcontract. Such books and records shall be maintained by the contractor or subcontractor for a period of three years from the date of final payment.

(15) Reporting of Anti-competitive Practices. When for any reason collusion or other anticompetitive practices are suspected among any bidders or offerors, a notice of the relevant facts shall be transmitted to the State's Attorney.

(16) County Procurement Records

- (a) Contract File. All determinations and other written records pertaining to the solicitation, award, and performance of a contract shall be maintained for the County in a contract file in the Purchasing Division.
- (c) Retention of Procurement Records. All procurement records shall be retained and disposed of by the County in accordance with records retention guidelines and schedules approved by the State of Illinois Local Records Commission.

(17) Multi-Step Sealed Bidding. When it is considered impractical to prepare initially a purchase description to support an award based on price, an invitation for bids may be issued requesting the submission of unpriced offers to be followed by an invitation for bids limited to those bidders whose offers have been determined to be technically acceptable under the criteria set forth in the first solicitation.

ARTICLE 5– PROFESSIONAL SERVICES AND COMPETITIVE SEALED PROPOSALS

5-101 GENERAL

(1) Department Heads shall have the authority to award Professional Services Contracts of less than \$50,000.00 (fifty thousand dollars) and may determine, in their discretion, whether such contracts will be awarded on the basis of competitive sealed proposals. Professional Services Contracts for \$50,000.00 (fifty thousand dollars) or greater or where multiple Professional Services Contracts within a year are likely to exceed \$50,000.00 will be subject to the competitive sealed proposals provisions pursuant to Article 5-102, unless they meet one of the exceptions and/or requirements enumerated in Article 6, or unless they fall within the scope of subparagraph (3) of this article. All Contracts that fall within the scope of subparagraph (3) of this article shall be awarded on the basis of qualification-based factors rather than price and will follow the Statement of Interest procedures according to the Local Government Professional Services Selection Act (50 ILCS 510/1 et seq.) rather than a competitive bid or a competitive sealed proposal.

(2) For Professional Services Contracts for \$50,000.00 (fifty thousand dollars) or greater, the respective Department Head and the Purchasing Agent shall present a joint recommendation to the County Board for consideration and approval.

(3) All Professional Services Contracts relative to engineering, architectural and land surveying services will be governed by the requirements of the Local Government Professional Services Selection Act (50 ILCS 510/1 et seq.). In the event Lake county does not have a satisfactory relationship with one or more firms, a Statement of Interest shall be issued for the initial selection of engineering, architectural or land surveying services with evaluation based on qualifications such as ability of professional personnel, past record and experience, performance data on file, willingness to meet requirements, location, workload of the firm, work on similar projects, past performance and other applicable qualification-based factors but excluding consideration of price or compensation. Responders are then ranked in order of preference and contract negotiations are initiated with the firms individually in order of preference. A Request for Statement of Interest is not required for contracts up to \$25,000 regardless of the existence or nonexistence of a satisfactory relationship with one or more firms. In all cases, a written description of Scope of Services to be provided shall be prepared and used as the basis of contract negotiations.

(4) Contracts, other than professional services contracts, in which the Purchasing Agent determines that competitive sealed bidding is neither practical nor advantageous, may be entered into by a competitive sealed proposal.

5-102 PROCEDURES

Competitive Sealed Proposals shall be initiated and created in accordance with the procedures for Competitive Sealed Bidding as enumerated in Article 4 except as follows:

(1) Proposals shall not be publicly opened and the register of proposals shall be available for public inspection only after contract execution.

(2) Fair and equal treatment with respect to any opportunity for discussion and revision of proposals and such revisions may be permitted after submissions and prior to award for the purpose of obtaining best and final offers.

ARTICLE 6 – PURCHASES EXEMPT FROM BIDDING AND COMPETITIVE SEALED PROPOSALS, EMERGENCIES AND SMALL PURCHASES

6-101 GENERAL

Competitive pricing shall be encouraged or a cost or price analysis shall be conducted prior to award of contracts under this section whenever possible.

6-102 PURCHASES EXEMPT FROM BIDDING AND COMPETITIVE SEALED PROPOSALS

Pursuant to the dollar thresholds in Section 4-101, whereas a department head conducts a good faith review of available sources and determines that the contract by its very nature is not suitable to competitive bids or proposals, they shall forward an Exempt request to the Purchasing Agent. The Purchasing Agent will review and approve all Exempt requests. The Purchasing Agent may consult with ad hoc groups of county staff in making his or her determination with regard to a particular procurement. If the Purchasing Agent reviews and approves the department head's recommendation that the, procurement is exempt from competitive bids or proposals, the department is not required to employ the competitive proposal or bidding process to enter into a contract. Examples of contracts which may not be suitable for competitive bids or proposals are;

- (a) There is only one source for the required goods, service, or construction item.
- (b) There exists a long standing, successful relationship for professional services, and the knowledge gained through this relationship adds value integral to the services provided.
- (c) A sole suppliers item is needed for trial use or testing.
- (d) Purchases of used equipment.
- (e) Purchases at auctions.

6-103 EMERGENCY PROCUREMENT

Notwithstanding any other provisions of this Ordinance, the goods, services, or construction items when there exists a threat to public health, welfare, or safety, or to prevent or minimize serious disruption of government services, shall be considered an "emergency." Emergency procurements shall be made with such competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be certified by the Facilities Manager or other manager as may be appropriate, and shall be forwarded to the Purchasing Agent, and included in the contract file. A confirming Resolution, along with the written determination, shall be submitted to the County Board for all emergency procurements of \$25,000 or more.

6-104 SMALL PURCHASE PROCUREMENT

Purchases shall be made in accordance with Lake County or other government contracts whenever possible. For non-contract purchases, competitive quotations for purchases up to \$5,000, or up to \$50,000 for professional services, are encouraged by the Department Head or their designee to determine the source that is in the County's best interests.

For Purchases greater than \$5,000 the Purchasing Agent or the agent's designee shall document quotations from at least three vendors whenever feasible for purchases up to \$20,000 for goods, services, and construction, \$25,000 for data processing and telecommunications.

6-105 PROCEDURES

(1) Solicitation Factors. Three quotations shall be received whenever possible prior to the contract. Circumstances may exist where the Purchasing Agent or the agent's designee determines that it is not feasible to secure three quotations. In other situations, the Purchasing Agent or the agent's designee may determine that it is in the best interests of the County to consider only one supplier who has previous expertise relative to a procurement. Whenever the Purchasing Agent or the agent's designee determines that it is not feasible, or is not in the County's best interests to satisfy the minimum quotation requirements of this section, the reason for this determination shall be indicated in writing and retained in the contract file. The Purchasing Agent shall conduct negotiations, as appropriate, as to price, delivery and terms.

(2) Evaluation Factors. Evaluation factors which may justify an award to a vendor who has not provided the lowest quotation include, but are not limited to, delivery requirements, quantity requirements, quality, and past vendor performance. Whenever the Purchasing Agent or the agents' designee determines that it is in the County's best interests to award a small purchase contract to a vendor who did not submit the lowest quote, the reason for this determination shall be indicated in writing and retained in the contract file.

(3) Award. Award shall be made to the vendor offering the lowest responsive and responsible quote who best meets the specifications. Adequate records to document the competition solicited and award determination made shall be retained in the contract file. A quote that exceeds the \$20,000 bid limit shall not be eligible for award under this Section. In a situation where all responsible quotations exceed the bid limit, all quotes shall be rejected and formal bidding procedures shall be followed.

ARTICLE 7 – SPECIFICATIONS AND CONTRACT TERM

7-101 GENERAL

Departments shall forward to the Purchasing Division suggested specifications for goods, services, construction and professional services. The Purchasing Agent shall finalize, issue, revise, maintain, and monitor the use of specifications required by the County except that specifications for any public work involving professional engineering shall be prepared by a professional engineer. Specifications for construction and maintenance of highways, bridges, and culverts shall be prepared by the County Engineer. Specifications for water and sewer projects shall be prepared by the Superintendent of Public Works. All specifications, including those prepared for the County by architects, engineers, designers and draftsmen, shall be drafted so as to promote overall economy for the purposes intended and encourage competition in satisfying the County's needs, and shall not be unduly restrictive.

7-102 CONTRACT TERM

(1) Specified Period. Unless otherwise provided by law, a contract for goods or services may be entered into for any specified period of time deemed to be in the best interests of the County, provided the term of the contract and conditions of renewal or extension, if any, are included in the solicitation and funds are available for the first fiscal period at the time of contracting. However, the total contract term for any contract, including the time periods by which the contract is extended due to renewal, shall not exceed five (5) years, unless a unique capitol investment or other extenuating factors necessitate a longer contract period and it is approved by Board resolution. Payment and performance obligations for succeeding fiscal periods shall be subject to the availability and appropriation of funds therefor.

(2) Cancellation Due to Unavailability of Funds in Succeeding Fiscal Periods. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract shall be canceled.

ARTICLE 8 – CONTRACT CHANGES

8-101 CHANGE ORDERS AND CONTRACT MODIFICATIONS

(1) When the total of change orders, contract modifications or price adjustments on any contract approved by Resolution of the County Board exceeds ten percent (10%) of the original contract amount, approval of the Standing Committee in charge of the using agency and the Financial and Administrative Committee is required.

(2) When a change order or series of change orders authorize or necessitate an increase or decrease in either the cost of a contract by a total of \$10,000 or more, or the time of completion by a total of 30 days or more, the authorized employee or official shall make a determination in writing that;

- (a) the circumstances said to necessitate the change in performance were not reasonably foreseeable at the time the contract was signed, or
- (b) the change is germane to the original contract as signed, or
- (c) the change order is in the best interests of the County and authorized by law.

The written determination and the written change order resulting from that determination shall be retained in the contract file which shall be open to the public for inspection.

The Purchasing Agent is authorized to sign all change orders and to consent to contract assignments. Additionally, the County Engineer is authorized to sign change orders for projects relating to planning, design, construction and maintenance of highways, bridges, and culverts. The Superintendent of Public Works is authorized to sign change orders relating to planning, design, construction and maintenance of water and sewer projects. The Facilities Manager is authorized to sign change orders relating to planning and design and such other projects he is assigned by the County Administrator to administer. Planning and design contracts that are included are those relating to services provided by engineers, architects and land surveyors pursuant to the Local Government Professional Services Selection Act (510 ILCS 510/1et seq).

ARTICLE 9 - APPEALS AND REMEDIES

9-101 BID PROTESTS

(1) Right to Protest. Any actual or prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the Purchasing Agent. Any protest must be submitted in writing within ten (10) calendar days from the issuance of the solicitation, addendum, notice of award or other decision by the Purchasing Division.

(2) Stay of Procurement During Protest. In the event of a timely protest under Subsection (1) of this Section, the Purchasing Agent or appropriate Standing Committee, after consulting with the State's Attorney, shall determine whether it is in the best interest of the County to proceed with the solicitation or award of the contract.

(3) Entitlement to Costs. When a protest is sustained and the protesting bidder or offeror should have been awarded the contract under the solicitation but is not, then the protesting bidder or offeror shall be entitled only to the reasonable costs incurred in connection with the solicitation, including bid preparation costs other than attorneys fees.

9-102 CONTRACT CLAIMS

All claims by a contractor against the County relating to a contract, except bid protests, shall be submitted in writing to the Purchasing Agent. The contractor may request a conference with the Purchasing Agent on the claim. Claims include, without limitation, disputes arising under a contract, and those based upon breach of contract, mistake, misrepresentation, or other cause for contract modification or revision.

9-103 AUTHORITY OF THE PURCHASING AGENT TO SETTLE

(1) Authority. The Purchasing Agent is authorized to settle any procedural protest regarding the solicitation or award of a County contract prior to an appeal to the Lake County Board, or any committee thereof. The Purchasing Agent, after consulting with the State's Attorney, is authorized to make recommendations on the settlement of any monetary claim to the appropriate committees of the Lake County Board for their consideration.

(2) Notice to the Contractor of the Purchasing Agents' Decision. If the protest or claim is not resolved by mutual agreement, the Purchasing Agent shall promptly issue a decision in writing, and it shall be immediately mailed or otherwise furnished to the contractor. The decision shall state the reasons for the decision reached, and shall inform the contractor of its appeal rights under Subsection (3) of this Section.

(3) Finality of Purchasing Agents' Contractors Right to Appeal. The Purchasing Agent decision shall be final and conclusive unless, within ten (10) calendar days from the date of receipt of the decision, the Chairman of the Financial and Administrative Committee receives a written appeal from the contractor.

(4) Failure to Render Timely Decision. If the Purchasing Agent does not issue a written decision regarding any protest or claim within ten (10) calendar days after written request for a final decision, or within such longer period as may be agreed upon between the parties, then the aggrieved party may proceed as if an adverse decision had been received.

9-104 ACCESS TO ADMINISTRATIVE FORUM, SUBJECT TO STATUTORY PROVISIONS

(1) Appeal Process. Any actual or prospective bidder, offeror or contractor may appeal a decision of the Purchasing Agent regarding bid protests or contract claims to the Financial and Administrative Committee. Said appeal shall be made in writing within ten (10) calendar days from the date of receipt of the decision. The protestor shall be notified of the time and date when the appeal shall be considered and afforded a reasonable opportunity to state its position. Any party whose interest may be adversely affected by a protest or appeal shall also be notified and have the right to appear for the purpose of protecting those interests.

(2) Decision. The Financial and Administrative Committee shall promptly issue a decision:

(a) Prior to award, said decision shall be referred with the Resolution for award of the contract for consideration by the County Board; or

(b) After award, the decision of the Financial and Administrative Committee shall be final and conclusive.

9-105 REMEDIES FOR SOLICITATIONS OR AWARDS IN VIOLATION OF LAW

If, after an award, the Purchasing Agent, after consultation with the State's Attorney, determines that a solicitation or award of a contract was in violation of applicable law, then:

(a) the contract may be modified to comply with the law, provided it is determined that doing so is in the best interests of the County; or

(b) the contract may be terminated and the contractor shall be compensated for the actual costs reasonably incurred under the contract prior to notification.
