

**Illinois Association of County Board Members and Commissioners  
2007 SALARY AND BENEFITS SURVEY**

**ORDER FORM**

The Illinois Association of County Board Members and Commissioners is pleased to present its **2007 Salary and Benefits Survey**. This survey is the first in new research to be provided by the Association. The rate of response is above 50% of the county governments in Illinois and represents a cross section of budget sizes and population sizes. It is the most comprehensive survey of its kind in the state, providing counties with comparable data to assist them in determining equitable wages and benefits for their employees.

Information was gathered from responses to a survey conducted from November 2006 through March 2007. The information included in this survey is based on 2006 budgets and includes budget amendments reported to the IACBMC. The survey presents a compilation of salaries paid for approximately 300 different job classifications in Illinois county government.
